

Dear Clients,

As we move into the summer months, OMNI is pleased to provide your second quarterly Employer Report Card. Of particular note for this quarter is the 'Payroll Schedules on Record' graphic. Your organization's payroll schedule data is used by OMNI to perform a number of critical compliance checks, as well as assist your employees in the completion of Salary Reduction Agreements (SRAs). If your organization currently has less than six months of payroll schedule data on file with OMNI, we recommend that you contact your dedicated Remittance Specialist, whose information can be found below.

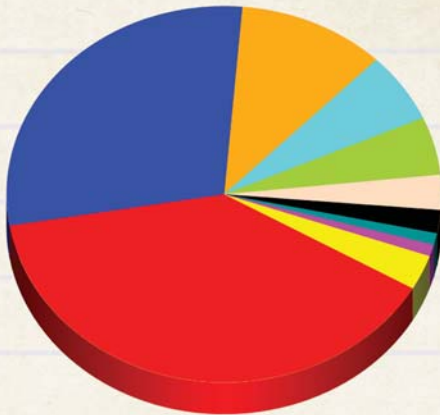

Sincerely,

Robert McLean, President & CEO
